1420 80th St. SW, Suite B
Everett, WA 98203

Text of the side panel: Scientific research shows Kava promotes relaxation and serenity, without slowing memory or reaction time.* Kava is a tropical plant used for centuries by ancient cultures for its miraculous effects. Natural Factors Kava Kava extract is standardized to contain 30% Kavalactones, Kava's precious active ingredients. Kava's effectiveness does not fade with repeated use. Kava is an ideal addition to the diet of anyone seeking safe nutritional support to promote relaxation naturally.

Text on PDP: Promotes Relaxation Naturally*

Name of dietary ingredient that is the subject of statement: Kava Kava

Name of the dietary supplement: Natural Factors

I represent the information presented to be accurate and in compliance with supplement label regulations.

John Morley, President
